

“The Ultimate Herbal Compendium” by Kerry Bone

The most comprehensive, accurate and up-to-date desktop herbal prescribing reference.

The Ultimate Herbal Compendium is a reliable ready reference designed for the busy health practitioner. It contains up-to-date easily found information on a wide range of herbs and conditions, including doses for herbs in tablet form as well as liquids. Careful research of all the available herbal information combined with Kerry Bone's 23 years of clinical practice ensures that all valid herbal treatment options can be considered.

Features:

- Compact, user-friendly desktop style in a durable ring-bound format
- Authoritative and credible information from one of the world's leading herbalists
- Over 400 medical conditions and 190 herbs covered
- Detailed example protocols for 50 major conditions listed
- A full bibliography outlines all sources used
- An invaluable memory prompt for the experienced practitioner and a quick reference for younger herbal practitioners
- Provides the most current and accurate information on herbal remedies, their actions, indications, dosage, contraindications and herb-drug interactions
- Comprehensive listing of herbs by their actions
- Glossary provides definitions of herbal actions
- Contains clear instructions on how to use this compendium
